The Sub-Committee has given its report on 23.06.2016, which has been accepted by the Government.

- 2. In the context of visits, issue of summons, search, seizure, arrest and prosecution in respect of manufacturers or principal manufacturers of articles of jewellery or parts of articles of jewellery or both, falling under heading 7113 of the Central Excise Tariff Act [hereinafter referred to as articles of jewellery] the Sub-Committee has made certain recommendations, which have been accepted by the Government. Accordingly, notwithstanding anything to the contrary provided in any other circular/instructions, the following guidelines for such actions in respect of manufacturers/principal manufacturers of articles of jewellery may be followed scrumptiously,-
  - No transit checks shall be carried out by the excise officials for checking movement of semi-finished or finished articles of jewellery.
  - ii. Visits, search of the premises of a manufacturer or principal manufacturer of articles of jewellery, issue of summons, seizure, arrest and prosecution may be initiated only when there is a clear reason to believe that there is an act of evasion, formed at the level of Commissioner or an equivalent rank officer.
